Activities

Over the next few weeks you will begin seeing new programs being introduced to the children in the program. We are excited to get these programs underway and hope that your child has a great time participating in them. Some of the programs that we will be implementing require parental consent for your child to participate. While the permission slips should provide information to you that assists with providing consent, please do not hesitate to contact Cindy with any questions or concerns at 634-2582.

Summer Camp 2010

The Boys and Girls Club of the Capital City will be having a great time this summer with the summer camp program of 2010!!!! Camp will begin on Monday, June 7 and will continue weekly until Friday,

into the two programs offered by the Boys and Girls Club, summer camp and the afterschool program. We hope to have these out to all families no later than January 25, 2010. We hoped to have these out sooner but we had a glitch in our software. The Tax Identification number will be listed on your receipt.

Sign in and Sign out Sheets

Please make sure that you are signing your child out from the program daily. This is not only a state licensing requirement, but also assists the staff in accountability of knowing who is on site at all times. Some sites are beginning to use new sign in and sign out sheets so please bear with us through this tran-

sition and ask if you have any questions.

Snacks

The Boys and Girls Club participates in the Child and Adult Care Food Program. As a participant in this program, we must adhere to the program requirements. Please note that children may not take snacks from the program site. Snacks have to be eaten on site where the program operates. Also, parents and siblings of children in the program may not take snacks from the program. We appreciate your understanding and cooperation in this matter.

Staff Training

All staff will be participating in staff training on January 23rd.

mation will be provided at a later time. We will have some new programs offered this summer and hope that you will make plans to join us!!! Any questions, please contact Cindy at 634-2582.
